Keynote Title: **The Lies We Tell Ourselves in Business**

Time/Format: 45-60 minute keynote in-person

THE LIES WE TELL OURSELVES IN BUSINESS

Keynote Overview:

Prepare to confront "The Lies we Tell Ourselves in Business" head-on with Chantell Preston! In the fast-paced world of entrepreneurship and corporate ventures, it's easy to fall prey to self-deception and limiting beliefs. Chantell exposes common misconceptions and empowers audiences to embrace truth and authenticity:

- **Breaking the Illusions:** Explore the detrimental impact of self-deception on professional growth and organizational success. Chantell dissects common lies prevalent in the business world, from imposter syndrome to the myth of overnight success, offering a reality check that challenges conventional wisdom.
- **Embracing Reality:** Learn how acknowledging and confronting uncomfortable truths can catalyze personal and professional transformation. Chantell provides practical strategies for fostering a culture of honesty, accountability, and resilience, laying the groundwork for sustainable success.
- **Uncovering Blind Spots:** Discover the importance of self-awareness in navigating the complexities of business. Chantell shines a light on hidden biases, unrealistic expectations, and other blind spots that hinder progress, empowering audiences to cultivate a mindset of continuous learning and growth.
- **Cultivating Authenticity:** Embrace the power of authenticity in driving meaningful connections and fostering trust within teams and organizations. Chantell shares insights on how embracing vulnerability and owning our truths can lead to greater innovation, collaboration, and fulfillment in the workplace.

With riveting storytelling, actionable insights, and a call to embrace truth over illusion, Chantell will challenge and inspire your audience to break free from self-deception and chart a course to success. Don't miss this opportunity to uncover "The Lies we Tell Ourselves in Business" and pave the way for a brighter, more honest future.

This keynote is ideal for:

- Entrepreneurs and business leaders looking to confront and overcome self-deception and limiting beliefs hindering their success.
- Corporate executives and professionals seeking to foster a culture of honesty, accountability, and resilience within their organizations.
- Individuals experiencing imposter syndrome and biases that may be impeding their progress and growth.
- Organizations committed to promoting authenticity, vulnerability, and trust in their workplace culture.
- Anyone interested in personal and professional development and striving for greater self-awareness and truthfulness in their business endeavors.

Audiences will leave with:

- Practical strategies for fostering a culture of honesty, accountability, and resilience.
- Understanding of the detrimental impact that self-deception and limiting beliefs can have on professional growth and organizational success.
- Recognition of the importance of embracing uncomfortable truths and confronting reality in order to catalyze personal and professional transformation.
- Understanding of the power of authenticity in driving meaningful connections, fostering trust, and promoting innovation and collaboration in the workplace.
